

Cecil College and Wilmington University

Associate of Science in Public Health

to

WilmU's Bachelor of Science in Health Sciences

Early Admissions Benefits (must meet the requirements outlined under Student Eligibility Requirements for Early Admissions Benefits)

- Guaranteed admissions to WilmU
- WilmU application fee waiver
- Early access to a WilmU recruiter, admissions associate, and/or academic advisor 100% online or at a WilmU location
- Program-to-program course maps from a Cecil associate degree through the eligible WilmU bachelor degree
- Ability to enroll at both Cecil and WilmU concurrently
- Opportunity to complete select graduate courses as part of an undergraduate degree at the undergraduate per credit tuition

Student Eligibility Requirements for Early Admissions Benefits

- Students currently enrolled or have already completed a Cecil College associate degree
- Submit a WilmU Early Admissions Intent to Enroll Form
- Enroll in one of the following eligible bachelor degrees at WilmU:
 - Bachelor of Science in Health Sciences
- Submit a Cecil transcript with degree conferral to WilmU, and submit all official transcripts from all previously attended institutions. Completion of additional forms may be required for some majors or by enrollment status

Associate Degree Coursework and Transfer

16-20		Health Science Electives or Certificate/Minor Options	15	
Certificate and Minor Options to consider with elective courses:		<ul style="list-style-type: none"> • Holistic Perspective on Aging and Wellness • Interdisciplinary Care Management • Trauma-informed Approaches 		
<ul style="list-style-type: none"> • Emergency Management • Family Science • Health Information Technology • Health Promotion: Fitness • Hispanic Cultural • Holistic Palliative and End of Life Care 		Dual Credit Advantage Options: <ul style="list-style-type: none"> • Coursework toward Master of Business Administration or Master of Science in Management 		

Notes:

1. WilmU has a credit residency policy of 30 credits. Therefore, additional credits beyond the associate degree requirements can be completed at Cecil College. However, certificate and accelerated options are available at Wilmington University for students with elective space. Students should discuss their options with an advisor.
2. WilmU B.S. Health Science students have a requirement of 16 total science credits; Cecil students can maximize transfer credits by completing two additional courses with lab from the following options from Cecil College:
 - a. BIO 132/133 – Principles of Biology II w/lab for BIO 252, Biology II
 - b. BIO 200/210 – Microbiology w/lab for BIO 336, Microbiology
 - c. CHM 103/113 - General Chemistry I w/lab for CHE 261, Chemistry I
 - d. CHM 104/114 – General Chemistry II w/lab for CHE 262, Chemistry II
3. Dual Credit Advantage options allow students to enroll in some graduate coursework that can count toward both the undergraduate and graduate degree. Students must meet the appropriate GPA and other pre-requirements and should discuss this option with an advisor prior to enrolling in HSC 380 and HSC 313.
