# Our student athletes need your support!

"I spent some time working and in the National Guard before coming to Cecil so I'm like a big brother to many of the guys on the baseball team. I enjoy being a mentor to them. It motivates me to do better in school. Receiving scholarships for tuition and textbooks through the Cecil College Foundation was very helpful in keeping college affordable."

"I came to Cecil College to learn about business and to play basketball. The administrators, coaches and professors are awesome. Anytime you need them, they are there for you."
